2011 Very Strong for Vermont Captive Insurance Licenses

Posted by Admin on January 10, 2012

2011 was the 6th year Vermont surpassed the 40 new captives licensed mark with 41 new captive insurance companies bringing the total number of licenses to 952 with 590 active captive insurance companies. Thirty were single parent captives, with six risk retention groups (RRG), three sponsored, one industrial insured, and one association.
